The Kingston Emporium first opened the summer of '87 with CVS. Gradually over the 1987-1988 school year, more businesses have joined CVS on Fortin Road. Students can find almost anything at the Emporium: Mexican food, donuts, gift items, videos, grinders, yogurt. They can also: join a health club, make copies, get haircuts and buy books. In fact, most businesses have hired students to work in their stores. The Emporium has proven to be a beneficial addition to the URI community and surrounding area.

# Fraternities end Thursday parties

By PETER SANTORO

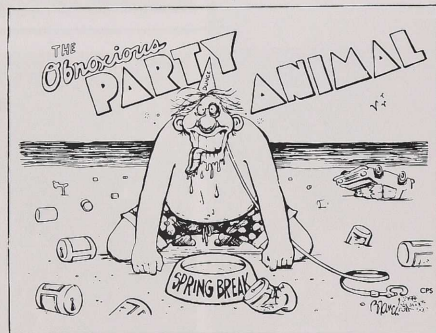

Assistant News Editor

Thursday night fraternity parties will not be held at URI when the Inter-Fraternity Council's decision to ban mid-week soirees is approved by the University.

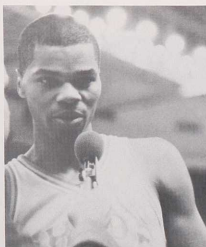

The IFC unanimously voted to abolish these parties because the University faculty did not enjoy students missing Friday morning classes, or if they went they would fall asleep. Eric Andreozzi, president of the IFC, said "There was an outcry from the faculty and students that fraternity parties caused this, so we acted accordingly."

Since the goal of the Greek system is to foster the educational development of its members, this move was in their best interest, he said. "We are at the University to learn, not to party, and the suspension of mid-week parties will aid us in reaching our goal."

# Rams

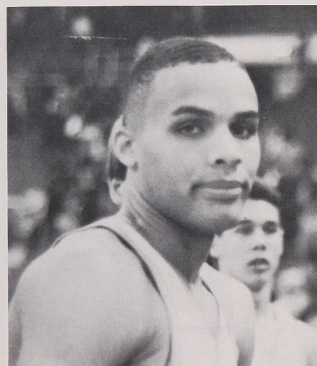

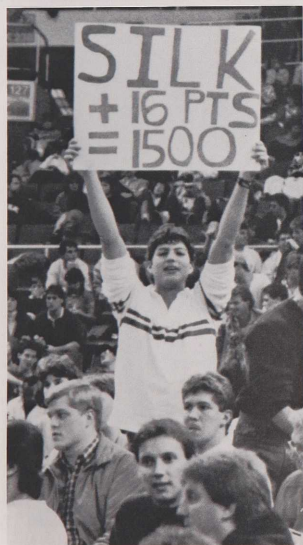

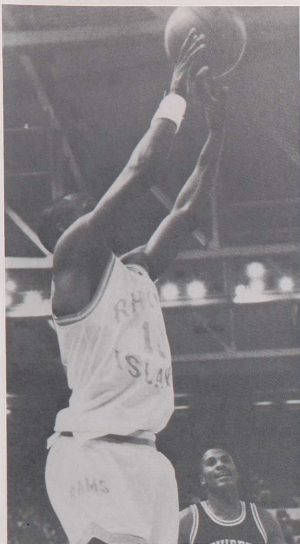

Congratulations to the URI  
basketball team for a  
**spectacular season!!!!**

Ram Pride at URI!!!!

# Triples

The overwhelming response to URI by incoming freshmen had created a housing problem this year. The problem was solved by putting freshmen into triples. Triples are rooms made for two people but due to the housing shortage; occupied by three. There is hope of building a new dormitory. But, until then, triples still will exist in the dormitories at URI.

### *Remembrance*

*It was all so new*

*not so long ago*

*yet at once*

*it's gone.*

*So remember me*

*when the laughter of children*

*touches your ears*

*Do not let time*

*shatter the image*

*forged in my memories.*

*Today is binding*

*Yet tomorrow is forever.*

*So remember me*

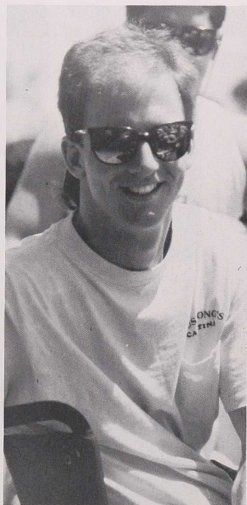

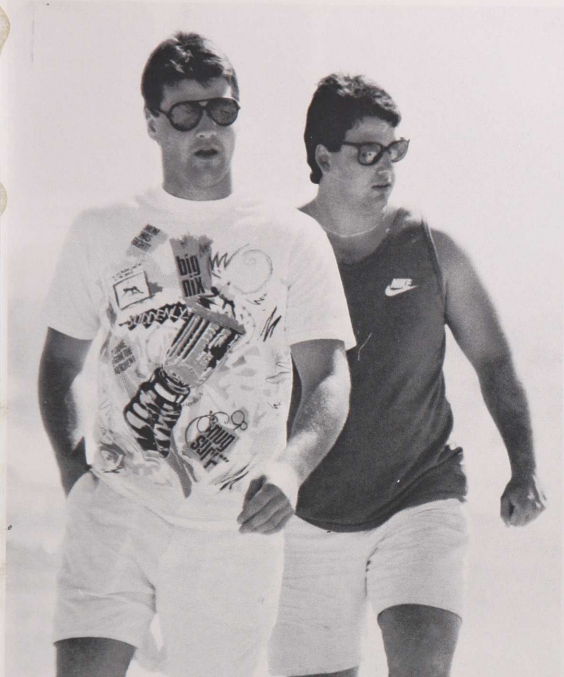

*when snow falls on the ocean*

*or sun streams through an open window.*

*Because I will remember you.*

*Ericka Jensen*

 THE SOUND OF WAVES POUNDING AGAINST  
 ROCKS  
 THE RUSTLE OF THE NIGHT WIND  
 SIFTING SOFTLY THROUGH THE COOL SAND  
 THE MOONLIGHT GLOWS ON THE HORIZON  
 AND CASTS A WARM GLOW ON A PASSING  
 VESSEL  
 IF I LOOK, FOR JUST A MOMENT INTO THE  
 TROUBLED SURF  
 I CAN SEE YOUR FACE AND PICTURE YOU  
 WITH ME  
 BUT WHEN THE FOAM DISAPPEARS INTO  
 THE COLD EARTH  
 I REALIZE THAT YOU ARE NOT BESIDE ME,

### Overall Winner

By VALERIE J. LaTOUR  
Cigar Staff Writer

Greek Week, the yearly competition between fraternities and sororities, ended last week as the Greek system marked its 80th anniversary on the URI campus.

"Everyone was really into it," said Jill Fishman and Joe Gazza, coordinators of the event. "We think it was a success."

Four of the events raised over two-thousand dollars. The events were the Greek semi-formal held at the Rocky Point Palladium, the dunking machine, the "lip-sync" contest, and Greek Sing. The money went to Meeting Street School. "We support the purpose of the school," said Fishman. "We wanted to help them in any way we could."

The largest and most popular event held during Greek Week was the much anticipated Greek Sing. "It is the most popular event because it is worth the most points and because each house begins practicing a month or more in advance," said Fishman. "A great deal of time and effort is put into this event." In the frat competition, Tau Kappa Epsilon captured first place for Greek Sing with Lambda Chi Alpha placing second, and Fiji placing third. For sororities, Delta Zeta took first, Sigma Kappa second, and Alpha Delta Pi third.

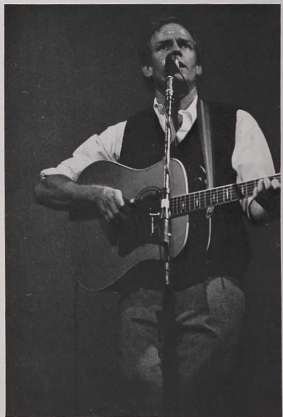

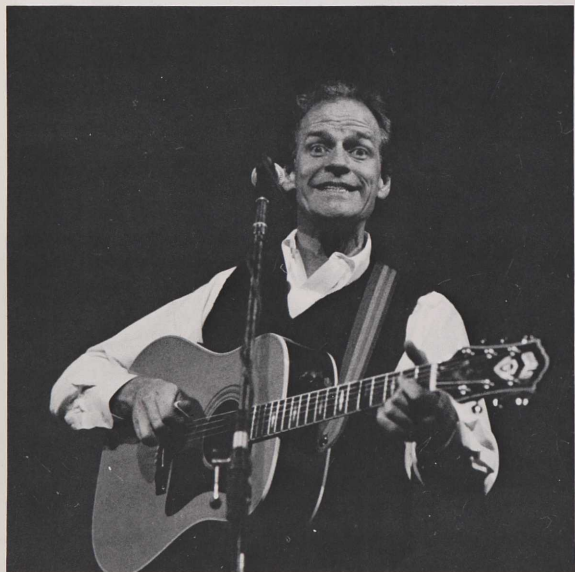

"We would like to give special thanks to the Special Events Committee for all of their work," said Jill Fishman and Joe Gazza. "Thanks to all who helped and participated in Greek Week 1988."

## Touch-tone may replace walk-through registration

By STEPHEN CORSINI

Cigar Staff Writer

By fall, 1990 there may be no such thing as registration lines; no more crawling out of bed that first wretched day to stand in line in front of Keaney gym in the cold rain at 8 in the morning.

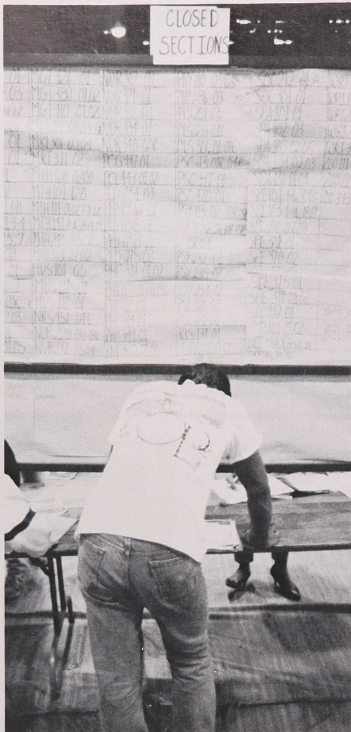

Instead, all you'll have to do is pick up your phone and punch a few numbers.

URI has received two grants (\$90,000 for 1987-1988; \$99,000 for 1988-1989) from The Board of Governors for Higher Education to install a Touch-Tone Registration System. This new system will allow students to call in to a voice-controlled computer and register for courses. The system will be ready for the fall of 1990.

"We want it to be great!" Jack Demitroff, registrar said. "The major difference from our current system is it won't be a matter of requesting classes anymore (like our current pre-registration) You'll actually be registering right then."

Demitroff said students will receive a similar registration packet in the mail. In it will be a code number for the student to gain access into the system along with a list of times that the student can call.

After the student enters the code number, the computer will check the student's major, see if he/she owes the Bursar's Office any money, see if he/she is an eligible student for registration and check to make sure that he/she is calling at the correct time.

# OWENS BREAKS

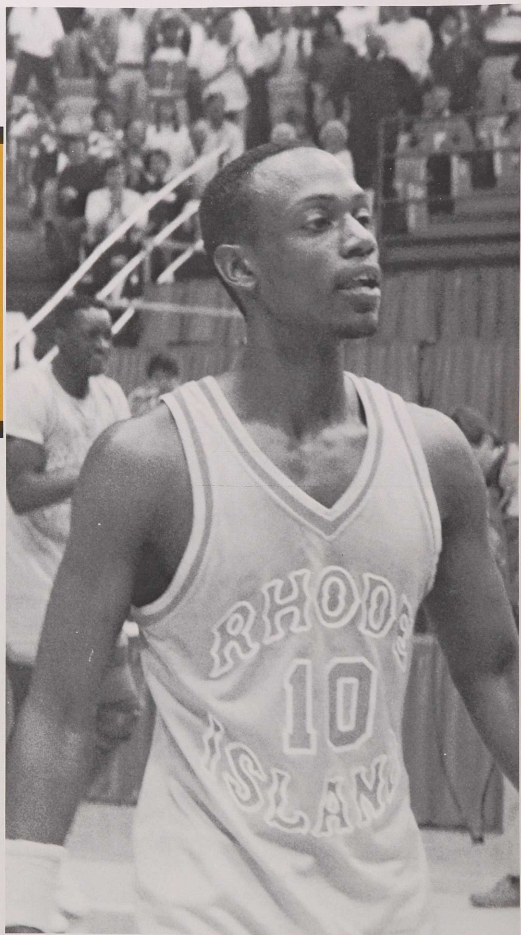

## 2,000 pt. plateau

By **BRETT DAVEY**

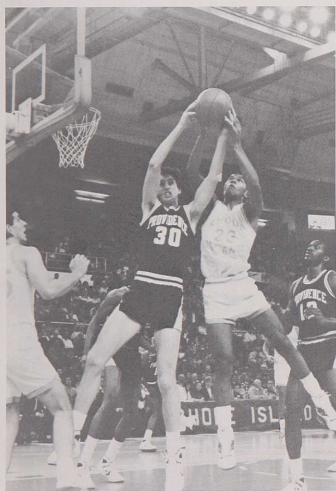

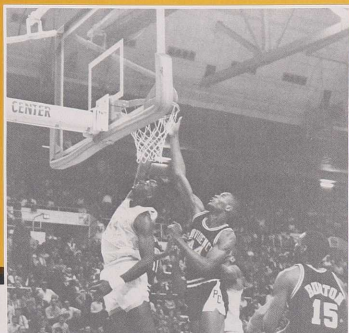

Cigar Sports Editor

The 2,000th and 2,001st points came in characteristic "Silk" Owens fashion. With a little under eight minutes left, Owens drove to the left, hesitated, then charged forward and double pumped a shot off the backboard thus accomplishing what only one other URI basketball player had ever achieved. Only Steve Chubini('66) had ever scored 2,000 points in Rhody hoop history.

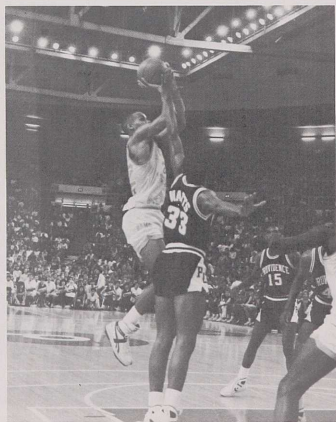

That basket constituted only two of the 24 points that Owens scored in URI's 87-73 wipeout of UMass at Keaney Gym last night. The Rams dominated throughout, leading 48-27 at halftime.

### Diving duo qualifies for Nationals ; first ever for Rhody swim team

By CHRIS BREYAN

Cigar Sports Staff

Juniors Todd Hemenway and David Dean became the first URI divers to ever qualify for the Division I Nationals in Tuesday night's 116-101 come from behind triumph over Providence College.

"They hit everything," said diving coach Art Scolari, referring to Hemenway and Dean. The duo combined to set four school records on the one and three meter boards in both the six and eleven dive programs.

"Outstanding," said coach Michael Westcott about their efforts.

The URI sports program had an *Awesome* year in '87-'88.

Due to the turmoil the plagued the Renaissance, we were unable to include many sports teams and clubs in this year's yearbook. We would like to extend our apologies to those that were not pictured. We regret these omissions.

However, we'd like to congratulate *each* team member for a **great season!!**

## Rhode Island sailing team ranked number one

By SEAN MCNEILL  
Cigar Sports Staff

It's been a long time coming, some might even say too long, but the URI Sailing team is finally back where it belongs: number one in the country.

As published by Sailing World magazine, URI, voted by a three member panel, which includes URI grad and current Tufts coach Ken Legler, jumped from the 12th position to overtake Tulane University in the top spot. The last time URI was ranked number one was in the winter of 1984-85 after a highly successful fall '84 campaign.

"It's a great accomplishment for the team," said sophomore skipper Lars Guck. "The ranking shows that we have good team depth and are operating as a team unit again." The sailing team had fallen

on some hard times since the last number one ranking.

Another aspect that makes the top ranking even more impressive is that the team is a club sport. "We're proud of our accomplishments because we lack a real coach," said Guck. "It's a total team effort."

URI's number one ranking is due largely in part to their current winning streak. Collegiate sailing is structured such that if a team places within the top three finishers of a regatta it is to be considered a victory. In URI's two trophy regattas, the Admiral Moore and the Truxt-Umstead, they have a first and a second place to date.

While the performances of All-American candidates Doug McLean and Lars Guck are largely accountable for this present success, sophomore Charlie Allen and junior Paul Craine have also contributed greatly.

# Editor's Note

Well, this is it. This is the final page of the '87-'88 yearbook. A lot of people thought we'd never make it. But somehow we managed to pull through.

In a campus of thousands only a handful of people worked on this yearbook. That's a sad statistic. It shows that students are apathetic even about the things that involve them. Many people also will complain about the yearbook. But those people had a chance to have some input but for whatever reason chose not to. One suggestion-Don't ask is there going to be a yearbook? Make it happen! Get involved!!! I hope that when this book comes out in October more people will take an initiative and things will be different from this year. We'd like to see some helpful, friendly faces at the Renaissance office (Room 137 Memorial Union).

As for this year, there are a few people I'd like to thank for supporting the Renaissance.

Thanks to Bruce Hamilton, Maureen McDermott, Carol Baker (for patient explanations of our money situation), and Varden Studios (especially Mike Brown for terrific graduation pictures).

Thanks Maureen, Jim, Kathy, Dave, Helena and Gillian for doing a terrific job and sticking it out!!! Thanks to Rosa for "volunteering" to be Sports Editor. Special thanks to Pam who filled in when and wherever she was needed. And, thanks to Norval Garnett for inspirational layouts and patient responses to endless questions.

Congratulations to the Class of '88 and Best of Luck in the Future!!!!!!
